ASIS-ISSA Joint Meeting, August 17, 2010.

The meeting will begin at 11:30AM at Redstone Federal Credit Union, 220 Wynn Drive, Huntsville, AL.

The featured speaker is Bill Johnson covering the topic of "The Insider Threat".

Mr. Johnson has over 20 years experience in IT automation, monitoring and management. He started TDI in 1991 to deliver IT Foundation Management, a different method of managing the IT Datacenter. With changes in IT technology, it has elevated the level of play for the Insider Threat, Regulatory compliance and Security best practices. Bill has led numerous discussions, round tables and has been listed as an Industry Thought Leader by the SANS Institute. He has an Electrical Engineering Degree from the University of Louisville.

Visit <http://northalabama.issa.org/> for details on how to register.
